

Design and Technology Homework Task

Subject	GCSE FOOD TECHNOLOGY	
Module Title	Coursework Objective 3	
Year Group - 11		Term - Autumn
<p>Context of the task Pupils will have completed objective 1 and 2 and will have written a clear detailed specification on which they can base their 6 design ideas.</p>		
<p>Generating design ideas Objectives of the objective 3 Candidates will need to:</p> <ul style="list-style-type: none"> • generate a range of design proposals (6 products); • check design proposals against design specification and review and modify them if necessary; • identify chosen design proposal for product development; • present design solutions using a range of graphic techniques and ICT including computer aided design (CAD), to generate, develop, model and communicate design proposals; 		
<p>Outline of the task</p> <ul style="list-style-type: none"> • spider diagram of a range of dishes related to the task; • select 6 dishes that will be trialled to show a wide range of skills; • draft out a plan of action – week by week/lesson by lesson to include planning dates, practical dates and when the evaluations will be completed; <p>Each design proposal will include;</p> <ul style="list-style-type: none"> • a copy of the original recipe and the source; • a labelled sketch with clear adaptations; • a list of ingredients with quantities; • the costing of each ingredient and the total cost; <p>Evaluations will include</p> <ul style="list-style-type: none"> • other peoples opinions (at least 3 tasters from your target group); • evaluation against the specification in detail; • your own comments about the product • Ideas for improvement 		

Expectations/Timing

Objective 3 will be introduced week beginning September 4th 2007.

All 6 products will be cooked by Friday 7th December 2007

Week commencing December 10th 2007 final design proposal will be written

Deadline date for completion of objective 3 will be December 14th 2007

They will have planned your own order of work for the term and should have a copy of this indicating what should be done at school and work to be done at home. They will be expected to complete an appropriate homework taking approx 1 hour per week

Assessment Focus

Level of responses and mark range will be in their folders
